PI DAY CONTEST WINNER

Congratulations to the MA Θ chapter at the Community College of Allegheny County, North Campus (Pittsburgh, PA), for winning our Pi Day Contest! They celebrated Pi Day by hosting a Pi Day Olympics for their campus. The games were kicked off with a torch held by their campus president and dancing by the campus' dance team. Several student groups and departments got involved and hosted informational booths. There was even a three-story egg drop contest! The school's math department passed out pie and bad puns to many students.

Members used their weekly meeting to decorate the walls of their campus with the first 1,000 digits of Pi, encircling the lunch room and spiraling down two sets of stairwells. Pie was eaten, Pi was celebrated, and a good time was had by all. Great job, CCAC! Your MA Θ goodie bag will arrive soon.
