HAPPY VALENTINE'S DAY FEBRUARY 2022

WELCOME DANA C. WADE

Dana C. Wade is the new Executive Director of Mu Alpha Theta. She graduated with a Bachelor's degree from the University of Oklahoma. She then earned a Master's degree in Educational Leadership from the University of Dayton.

She began teaching in Fort Worth, Texas, then moved to Oklahoma City where she taught and served as Assistant Principal and finally Principal. She's faced COVID as a principal as well as done programming, marketing, grant writing, and fundraising. She oversaw a budget of 2.6 million dollars with no deficit during her tenure.

As every Executive Director has brought Mu Alpha Theta new talents and new ideas, we are thrilled to welcome Dana C. Wade to the role and anticipate great things!

STUDENT DELEGATE ASSEMBLY:

During each national convention, the student delegate assembly meets to discuss issues of concern to member schools. Each chapter at convention selects a student delegate assembly representative who will cast votes on issues and makes motions on issues. Representatives select the Sister Scholastica Most Committed Sponsor Award winner and elect student officers for the next national convention.

WE WANT TO HEAR FROM YOU!

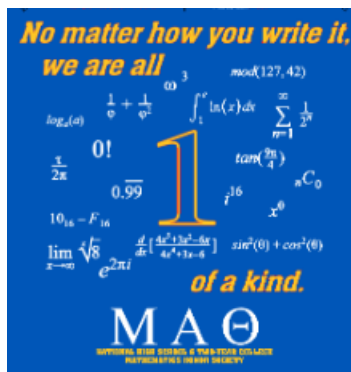

Tell us about your chapter's incredible activities and we may feature your chapter in one of our upcoming newsletters or on our website and social media.

Mu Alpha Theta will once again sponsor a **T-shirt contest**. We are announcing this early to give your chapter the time to design a great looking T-shirt. Do you remember which chapter designed the winning T-shirt to earn the \$1000 chapter award last time? By the way, what the T-shirt shows is still true today, and chapters want to purchase it. But they will have to wait for your design to purchase a specialty Mu Alpha Theta T-shirt.

T-shirt contest entries will be accepted from 3.14.22, through 5.25.22, at 4:30 pm CT.

This is a great opportunity for all you creative, right-brained members to strut your stuff. We want you to be free to design so this year there is not a theme. The rules are on the website, but sometimes rules get in the way of creativity so look under contests later.

Is there an equation for a heart? Share your ideas on social media!

Remember if you shop at Amazon, you can show your love to Mu Alpha Theta. Just go to smile.amazon.com and choose to support Mu Alpha Theta Educational Foundation, Norman, OK.
