

Mu Alpha Theta

September 2019

HIGHLIGHTS FROM OUR 2019 NATIONAL CONVENTION

The 49th annual Mu Alpha Theta National Convention was held in Las Vegas, NV, July 14-19, 2019. Following five days of grueling competitions, Buchholz High School from Gainesville, Florida, triumphed as 2019's Mu Alpha Theta National Convention Sweepstakes Winner.

Attendees discovered our national convention is about much more than competition. Our convention provides a way for members to network and forge new friendships with like-minded individuals from different states, visit new places, and experience exciting excursions like this year's outing to see Cirque du Soleil's "The Beatles LOVE" show. Our members also heard interesting presentations from speakers including: Richard Rusczyk, founder of the Art of Problem Solving; John Chang, leader of the MIT Blackjack Team; former MAT member John Bunch; Frank Caballero; and Dr. Radleigh Santos.

For all convention results, please visit "Past Conventions and Results" on our website. You can also view the convention slideshow on our Facebook page by searching for #MATCON2019.
